

About Us

Tucked away along the winding Mermentau River in the heart of Louisiana's Cajun Prairie, this hidden gem invites you to slow down, breathe deep, and reconnect—with nature, with family, with yourself.

Whether you're sipping coffee on the porch as egrets rise with the sun, kayaking through cypress-lined waters, or gathering around a fire pit under a canopy of stars, every moment here feels like a memory in the making. Our riverside accommodations offer the comfort of home with the spirit of the wild—rustic charm, modern touches, and room to roam.

Wake to birdsong. Explore the bayou. Watch the sunset paint the river gold.

At Mermentau River Adventures, it's more than just a stay—it's an experience.

Testimonial

Kenny

My wife and I came for a little getaway and our stay did not disappoint! Great relaxing scenery and Brad was quick to respond and checked in with us to make sure our stay was very pleasant! We will definitely recommend to anyone!!

Lindsey

We truly enjoyed our Mother/Daughter "Spending Quality Time" mini-vacay at Brad's place. The pictures do the place no justice! The peace of being hidden away in a small country town and the serenity of waking up watching the sunrise over the lake was priceless. The girls spent every moment they could in the pool or swimming in the lake... Brad was an awesome host and I would recommend his place to anyone!!! 10/10 and COMPLETELY SATISFIED

Conveniently located just minutes off I-10 near Jennings, Louisiana—making it an ideal base for day trips to nearby attractions and major cities. Whether you're exploring the Gulf Coast, heading to Lake Charles or Lafayette, or just enjoying the scenic countryside, you'll love the easy access and peaceful retreat.
